Expires on: **04 march 2026**

Solarif Risk Management B.V. declares, after a thorough risk assessment of the production lines, financial strength, environmental and labor conditions, that the modules mentioned in Appendix I are approved for **Solarif Certification**. On these grounds we supply this certificate to:

Swiss Luxra Holding AG

The certificate is valid from the aforementioned date for the duration of **ONE YEAR** and as long as the company is not insolvent.

This certificate enables clients of this factory to purchase the unique Solarif Inherent Defect Coverage in addition to the Solarif Operational All Risk Insurance, supporting and backing-up the manufacturer warranty in case of inherent defect.

This insurance is exclusively available through Solarif Insurance.
